

October is Manufacturing Awareness Month

National Manufacturing Day Oct. 7, 2016

Made In Florida Tours

Once again we'll be providing area students an up close look at high-tech manufacturing

Florida led the nation in 2015 with the highest number of student visitors on Manufacturing Day!

Host a Made In Florida Tour

Call Peter Straw 941 302 2685

We have the opportunity to promote local manufacturing careers through digital broadcasts and classroom appearances.

Interested in speaking to students about careers?

Manufacturing Fun Facts

Will be used as daily talking points at every school.

Facts like:

"Who provides electric guitar strings for rock & roll artists?"

"How many bandages can be produced daily?"

"What local company helps track aircraft around the globe?"

Help raise our industry profile

Submit an item about your manufacturing operation
