## SCOOP

BY SRQ DAILY SATURDAY PERSPECTIVES EDITION SATURDAY APR 1, 2017

CareerEdge Funders Collaborative will host an informational internship roundtable for local employers and educators on Tuesday, April 11th at its United Way Suncoast office. Employers will have an opportunity to learn about CareerEdge's Internship Reimbursement Program, made possible through a grant from the Charles and Margery Barancik Foundation, that provides employers with up to \$1,500 per intern if they are paid a minimum of \$10/hour. The program, which targets high growth sectors such as manufacturing, healthcare, IT, financial services, transportation, and the construction trades, incents employers to provide experiential learning to students in order to help develop local talent and support their workforce needs. Participants will learn how to implement an intern program within their organizations through peer sharing by an employer panel made up of FCCI, Sun Hydraulics and SouthTech who will share internship process and structure suggestions, as well as lessons learned in their programs.
